

BOWLING SUPPLY COMPANY
AND
COLONIAL BOWLING SUPPLY
Present

BRUNSWICK A and A2
PINSETTER UNIVERSITY

Due to popular demand, Bowling Supply Company hosts a school that combines **Intermediate Level** as well as **Advanced** pinsetter training.

This is an intense course designed for the entry/intermediate level mechanic that wishes to sharpen his skills toward becoming a seasoned mechanic. Students learn gearbox assembly, turret assembly and interlocks, as well as detector work, deck assembly, electrical system troubleshooting and preventive maintenance. This class is extremely focused on not only understanding the theory of how the pinsetter functions, but more so, it is extremely hands on. There will be both classroom and hands-on learning each day of the class. The class begins on a Tuesday, and ends the following Wednesday. Sunday is the only day that class will not be in session.
